

Open Call Brigid 1500, 2024

“Brigid 1500” is a programme of national and international events and initiatives to celebrate and commemorate Brigid, the woman, the life, and the legacy. The aim of Brigid 1500 is to create a meaningful cultural and societal legacy that appeals to a diverse contemporary audience.” (Council.ie, Nov 2022)

2024 marks the 1500th anniversary of the death of St. Brigid.

SULT Artist-led Collective is organising a large-scale National and International Open Call Exhibition to reflect the traditions, customs and symbols associated with the many versions, Irish and International, Celtic, and spiritual, of Brigid, her legacy, her influences, her life.

Following the wide range and high standard of events and public interest generated both nationally and internationally at the launch of the Brigid 1500 festival in 2023, this Open Call will be an extraordinary opportunity for artists to display their work in what promises to be a memorable occasion in February 2024.

The exhibition will take the form of an Art Trail in the centre of Kildare town during the month of February 2024. The exhibition will be accompanied by a high-quality, limited edition catalogue of the selected artwork.

Applications, on-line only, open 1st May and close 15th September 2023.
